## NOTE OF EXPLANATION

For decades CISV has worked to increase cross-cultural understanding among the children and youth of the world. Thousands of young people have been transformed by personal experience through CISV's multi-cultural educational programmes. Since the first Village in 1951, CISV volunteers have worked to provide healthy and secure opportunities for our participants to learn about the world and themselves. We are proud of our results and work hard to earn the trust of parents who allow their child to participate in CISV.

The health and safety of all CISV participants is of the greatest importance to the world-wide network of volunteers that make the CISV programmes possible. However, in recent years, the cost of property and liability insurance has increased steadily despite our focus on effective risk management.

In order to ensure the continued operation of its programmes, CISV International requires a liability release as a condition of participation. For this reason, in order to participate as a CISV delegate, a parent or legal guardian of all youth participants under the age of 18, must sign a Legal Release & Responsibility to Pay for Damage (contained in section 4 of this form). All participants age 16 or older, including all leaders and staff, must also sign the form. Please note that this form is used globally. Nothing in this form excludes or limits any liability which cannot be excluded by applicable law.

Although CISV will work to maintain liability insurance for the benefit of non-participants, including schools and other institutions that provide facilities for our programmes, we believe that this release, together with our on-going risk management efforts, will limit the impact of rising insurance premiums on our ability to offer CISV programmes in countries around the world.

Our risk management efforts include the CISV International Travel Insurance for all those participating in our international programmes.

If you have any questions about this form, please discuss them with a CISV representative before signing. You can find information with regard to CISV's rules and Child Protection Policy on our website. It is recommended that you and your child review CISV's Behaviour Policy on [www.cisv.org](http://www.cisv.org)
